- It's a cheque but without the paper.
- No transaction fees and no monthly fees.
- FundScrip submits a debit to your bank account and then your financial institution transfers the money electronically.
- It's private, safe and secure.
- You can cancel the EFT payment service at any time.

Simply, download the EFT form when you register. Then fill out the form and fax us a copy (with the voided cheque attached) to the number indicated on the form. You can also scan and email the form to eft@fundscrip.com.

You will receive an email when your EFT account has been activated.
