STEP BY STEP

1. View your iPad in the Landscape format, and often propped up on something so that you can be hands free.
2. Then open the email meeting invitation that you have been sent to help you access the meeting.
3. Under **Join Zoom Meeting**, click on the blue linked URL address for the meeting.

4. A page will open, then, in Safari, often an error message comes up – just press **Ok**.
5. If you are a first-time user, on screen will be this option to help you:
“First-time user, please download the Zoom app from the **App Store**.”
 - a. Click on **App Store** and see the Zoom App that you need:
 - b. Select **Get**.

6. It will open a window offering the chance to install zoom. Select the blue **Install** button.

Note: A window will open asking “Require password for additional purchases on this device?” Select **Always Require**.

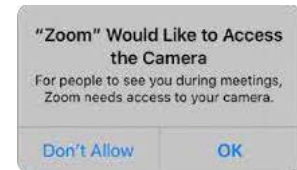

The Zoom app is free and will download.

7. When download is completed, press **OPEN**.
The Zoom app will open you can Join a Meeting or Sign Up or Sign In.

8. The easiest thing to do is to go back to your email invitation and **select again the blue linked URL address** for the meeting.

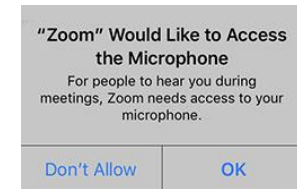

9. A window opens saying **Please enter your name**.
 - a. **Enter the name** you wish to call yourself in the meeting.
This name will appear beside your face in the meeting.
 - b. Select **Continue**.

10. A window will open: **“Zoom” Would Like to Access the Camera.**
You can select Don’t Allow or OK. Select **OK.**

11. Next, select the blue **Join with Video** button, bottom right.

12. Next window: **“Zoom” Would Like to Access the Microphone.**
Select **OK.**

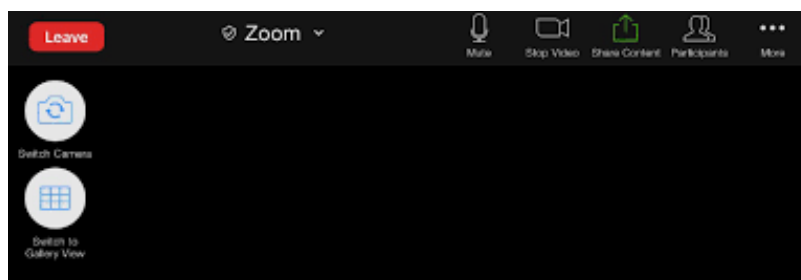

13. Next window: **“Zoom” Would Like to Send You Notifications.** Select **Allow.**

14. Next window: **To hear others please join audio.** Select **Call using internet audio.**

You are now in your meeting!

15. To view participants:
- Tap the screen** to see two options appear on the left:
“Switch Camera” and “Switch to Gallery View”.
 - Select **Gallery View.**

16. To view more options:
- Tap the screen** to see options across the top-right of the screen.
 - These buttons appear: Mute, Stop Video, Share Content, Participants and More...

Play with these buttons to learn how they work.
